Nominated "Top Endodontist" – ABQ The Mag

Dr. Shane T. Clark, DMD

Dr. Clark was born and raised in Albuquerque, NM. He obtained his undergraduate degree in Biology from St. Edwards University in Austin, TX. Dr. Clark then received his D.M.D from the Arizona School of Dentistry & Oral Health where he also met his beautiful wife Margo, who is a general dentist. Dr. Clark's passion for root canals lead him to the University of Missouri Kansas-City where he completed a two year Endodontic residency. Dr. Clark and his wife enjoy raising their two children, Colton & Presley, staying active, expanding their dental knowledge, and helping the community.

Gentle Care is Our Specialty

ROOT CANAL

Dr. Clark will make sure your root canal is easy, simple and painless. After your root canal, you will return to your general dentist for a permanent restoration, crown or filling and the tooth will function like normal.

EASY

We respect our patient's time, with the procedure itself taking usually less than 60 minutes. In most cases you can go back to work and continue your day.

SIMPLE

With our serene office environment and experienced staff, we will do everything possible to make your visit simple and relaxing.

PAINLESS

We make sure our root canals are painless by using the most advanced anesthetics.
